DESCRIPTION OF PROPOSED EROSION CONTROL LINE
SOUTH BOCA RATON

A line in Section 32, Township 35S, Range 5E, East of the Palm Beach County Meridian. This area is particularly designated as follows:

Commencing at the south boundary of the Palm Beach Area Protection Area, as indicated on a map adopted by the Palm Beach County Commission on February 9, 1978, and extending south 200 feet in a northerly direction to the west line of Section 32, Township 35S, Range 5E; thence on a bearing of 180 degrees to a point 300 feet west of the west line of Section 32, Township 35S, Range 5E, thence on a bearing of 090 degrees east 200 feet to the south line of Section 32, thence on a bearing of 180 degrees 200 feet to the west line of Section 32, thence on a bearing of 090 degrees west 200 feet to the point of commencement, the distance being 1,000 feet.

Note: This line extends east and west in various directions along the south boundary of the Palm Beach Area Protection Area.
